## REPORT.

---

Office of State Board of Directors  
of the

South Carolina Dispensary.

Columbia, S. C., January 10, 1905.

*To His Excellency, D. C. Heyward, Governor of South Carolina,  
Columbia, S. C.*

Sir: We have the honor to submit herewith a statement of the business done by the State and County Dispensaries during the fiscal year ending November 30, 1904, to be transmitted by Your Excellency to the General Assembly of South Carolina.

By referring to the several statements attached hereto you will find that the total cost of liquors, wines, beer, etc., purchased during the year amounts to \$2,316,242.58, and that the total sales (exclusive of "fresh beer") amount to \$3,374,786.43.

The net earnings for account of the school fund for the fiscal year, which have been placed to its credit, amount to \$171,377.73.

The net profits that have accrued to, and equally divided between, the counties and towns, amount to \$603,998.22, making the total earnings for the year for the school fund, counties and towns, \$775,375.95, which is an increase over earnings of last year of \$136,893.60.

We have paid to the State Treasurer since December 1, 1903 (the beginning of our fiscal year), on account of the school fund, the sum of \$304,338.94, which reduces the school fund to \$400,000.00, as required by law.

During the year we have disposed of a large amount of "hard stock" (which has been accumulating for several years), at a fair profit, and hope that within a short time we will have nothing on hand except "live" or marketable stock.

We are very much gratified to report that the business of the Dispensary has been conducted with harmony and success in all its departments, which will be shown by the attached statements, and the reports of the Legislative Examining Committee and expert accountants appointed to examine the books and records for the past fiscal year.

You will also note that the volume of business has increased, but this we attribute to a more rigid enforcement of the law rather than to an increased consumption of liquors, etc.

In conclusion, we court your most careful inquiry into all the details of the Dispensary management, and are ready to furnish any data you may desire.

All of which is respectfully submitted.

H. H. EVANS, Chairman,

L. W. BOYKIN,

JOHN BELL TOWILL,

State Board of Directors.

G. H. CHARLES, Clerk.

## REPORT OF LEGISLATIVE EXAMINING COMMITTEE.

*To His Excellency, D. C. Heyward, Governor, Columbia, S. C.*

Dear Sir: Your undersigned Joint Committee, appointed to examine the books and financial transactions of the State Dispensary for the year 1904, at its last meeting for the year, beg to submit herewith its report for the quarter ending November 30, 1904. The stock on hand was taken November 30th and December 1st by W. H. Sharpe, representing the Committee, and L. W. Boykin, representing the Board of Directors. All stock was actually examined, counted and valued. We find everything in admirable shape; the system of bookkeeping unsurpassed and very thorough, the corps of bookkeepers are very competent, and, upon the whole, most excellent gentlemen. The Commissioner, Mr. W. O. Tatum, is a thorough business man, courteous, painstaking and obliging, whose administration has been characterized by brilliant success. We beg to state that the Board of Directors have throughout the year exercised the keenest business foresight and judgment, and this branch of the State Government has made a record unparalleled in the history of this institution. The head of each department is properly bonded, and there is no friction in the management, each department alive to and doing its whole duty. Our investigation convinces us that the Constabulary for the year, appointed by Your Excellency, has done more to put this institution on its feet than has been done for past years.

We append hereunto statements: Assets and Liabilities, Profit and Loss, Cash Statement, Receipts and Disbursements.

All of which is respectfully submitted.

(Signed)

W. H. SHARPE,

On the part of the Senate.

JOSEPH GLOVER,

P. B. CALLISON,

On the part of the House.
